About Welcome House

Established in 1983, Welcome House of Northern Kentucky has been serving men, women, and children experiencing homelessness in the Northern Kentucky and Greater Cincinnati area for over 30 years.

Our mission is to provide a continuum of services to end homelessness and promote stability for each person we serve.

Our vision is to be a leader in guiding clients from housing uncertainty to housing stability. We accomplish this through the services we provide, including shelter, service coordination, outreach and stability programs.

Letter From Our CEO

Dear Friends,

This year, the COVID-19 pandemic has provided a glimpse into what is possible when our community chooses to see the need and determines to act. Their community's efforts to protect the homeless during these frightening times were large and small and everywhere in between – and everywhere helpful.

*Danielle Amrine, CEO
of Welcome House*

Being an essential service for our most vulnerable neighbors has put Welcome House staff, volunteers, and donors to the test this year. Together, we have proven that we are strong enough to bend, to adjust our services as well as our fundraising events.

I want to extend my deepest thanks to the Welcome House Outreach committee who never wavered in the face of COVID, and quickly changed plans to ensure that the Summer Sunday event could still happen, to our sponsors for their continued support in this difficult time for all business owners, and to each of you who support Welcome House each year through this event.

It is because of you that over 3,000 homeless men, women, and children went from homeless to home last year, and it is because of your support that thousands more will receive the help they need by walking through our doors.

I hope to see your smiling faces at Summer Sunday next year!

Who are the WHO?

Welcome House Outreach, also referred to as the WHO, has been an auxiliary fundraising committee for Welcome House since 1990.

The WHO organizes and hosts the annual Summer Sunday event held the first Sunday in August and the WHO Shower thrown in April. The committee is comprised of approximately thirty women who donate their time and energy toward making these events and their volunteer work successful. In addition to their event support, the WHO also volunteers monthly by making a meal for the women and children in our shelter and contributes frequently to our in-kind donation efforts.

Letter from the WHO President

Dear Friends,

Thank you all for being a part of our ninth annual Summer Sunday! This event supports Welcome House in their mission to end homelessness by taking clients from housing uncertainty to housing stability. I would like to thank all of our incredible sponsors, event donors and our returning friends of Welcome House who come out every year to support Welcome House!

*Karen Cady, President
of the WHO*

I would especially like to thank our first-time supporters! This is a very challenging year for all of us, and for Welcome House the need is greater than ever. Thank you to our wonderful team of Welcome House Outreach (WHO) volunteers who made this new, virtual event possible!

With so many options of where to spend your hard-earned dollars, we are grateful for your support. With your \$35 purchase of Grand Raffle and Bourbon Raffle tickets, each one provides for a night in shelter. We also have a lot of great items this year in our Silent Auction, so make sure you check them out. We hope to see all of you next year at our in-person event!
